

AAAAAH
I DON'T GET THIS!!

DO YOU KNOW
WHY THE KOREAN
WAR STARTED?

WHAT?

THE
KOREAN
WAR.

I need to
study for my
test, but I don't
want to.

Um...

Um... hold on.

I DON'T
KNOW...

I DON'T
REMEM-
BER...

It's because
they let their
guard down.

What's going on?
What's up with her?

It's nothing...

The above story is something Minu posted,
about a way to kiss a girl
(It's also from a story called 'Phoenix', when a guy named
this kissed a girl)

Why don't you all give it a try?

But, be careful when you ask a girl this question. They
might start ranting about the Korean war. If that happens...
cover her mouth.

With your own, that is :D
